

PUT YOUR MONEY WHERE YOUR HEART IS

International Grant-making Capability

We make it easy for donors with U.S.-sourced income to support Tides Canada's funds and projects and receive a U.S. tax benefit

Any donation of \$1,000 USD or greater recommended to a Tides Canada fund or project generates a U.S. charitable donation receipt. Americans or individuals with U.S.-sourced income can benefit from our international grant-making capability by making a donation to the Tides Canada Exchange Fund at Tides Foundation.

Here's how it works:

- Complete, print, and sign the form below. The charity information is pre-filled but you will need to specify the name of the fund or project you are donating to.
- Mail the signed form with your check payable to "Tides Foundation" in the U.S. to the following address: **Tides Foundation**, PO Box 29903, The Presidio, San Francisco, CA 94129-0903, USA
- Within three to six weeks of your donation, Tides Foundation provides you with an acknowledgment receipt that can be used for U.S. tax purposes.
- The Tides Canada fund or project receives the grant in four to six weeks in a Canadian dollar amount equivalent to your U.S. dollar gift minus the 2% retained by Tides Foundation.
- If you want to make a gift of securities to a Tides Canada fund or project please contact us for the securities donation form.

If you have any questions about the forms or the process please contact us and we would be happy to assist you.
